Hmm, I wonder why he gave me his number.

I doubt he likes... me or anything ...

Just a wishful thinking on my part. Not that I'd mind that...

Or maybe he is trying to maintain his popularity since he's on TV now...

Doesn't matter either way, I guess.

As long as I get to talk to him...

Should I try texting now ?

Hmm... I think it's too... plain...?

Eh... this doesn't sound right...

Why would I thank him all of a sudden?

Ach, let's not make this too complicated. It's the first text after all.

Make it simple~

Okay !

No instant reply ...

Well, yeah... err.. hee ta read and type brick...

Besides, I guess he must be busy now. A trainee after all.

I wonder when he will reply. Send another I guess. I guess it's no rushing.

Phew, weird feeling

First time ever...

Waitin_ for something with excitement.

I had no idea it'd feel this good...

What should I say in my reply ?

Ah, bitch. Show up already.

Is thiit hur ?

Oh~

Is that the girl A?

Uh?!

Hey, you made us wait for too long.

These are ... !!!

Can we talk for a sec?

Why or.. thiy here ?!

And how did they know here ?!

I thought I'd be fun to get out ...

The problem is I have nowhere to go.

Normally, .., I'd go to somewhere quiet.

What the hell am I thinking about ?

Yes..., it all began because of me ...
Because I paid attention to her, she started to get bullied and get involved into other unnecessary matters...

So, I will stop thinking about her. Simple.
Good for both of us, I guess.

What did I do this time?!

Hah, stupid bitch

Not even worth talking to her anymore ! Get her !

What the hell.. ?

Wh-t ?!

What's this situation ?! Why is she there ?!

Why ...

What are you doing this a.mm.ne for ?!

Hah..., why ?

Are you serious ? You'd ask that ?

Don't you know that you are the "girl A" ?

It's all over the internet and you don't know ?

I guess they don't have a computer there at the orphanage.

Or pretending?

I told you before probably.

You are nothing, so quit standing out.

Time for a long lesson today !

Ah !

Because of N again ...?
I don't like this ...

Who do you think you are?!

She is really a nutcase.

She wants to be a singer.

If you can be a singer, anyone can !

Singer? Dumb girl.

I am sick of being bullied ... and I am sick of N.

... I want to cry.

Haven't you done enough already?

!!!!!
